Aroma

Inappropriate

Appropriate

Flavor

Inappropriate

Appropriate

Low to no hop or malt aroma. Huge dank earthy hop flavor present. Low sweet, caramel malt flavor hiding in background.

Balance/Drinkability

Inappropriate

Appropriate

High hop bitterness and flavor dominates this beer. Overpowering.

Finish/Aftertaste

Inappropriate

Appropriate

Hop bitterness lingers

Appearance

Inappropriate

Appropriate

Clear straw in color. Low white in color head slowly resided.

Mouthfeel

Inappropriate

Appropriate

No astringency. No alcohol warmth. Medium carbonation on tongue.

Overall Assessment

Work on this one. Hop bitterness and flavor was all I could taste. Not a bad looking beer. Carbonation appropriate. This beer would be helped from more malt attributes. Thank you for your entry.

Summary

Consensus Score: 29
Mini-Bos: No

Aroma

Inappropriate

Appropriate

Flavor

Inappropriate

Appropriate

Light bready and crusty aromas throughout with a medium floral hop. Flavor starts with light bready malt, then goes to a light toast and finished with a moderate floral hop. Moderate bitterness.

Balance/Drinkability

Inappropriate

Appropriate

Balance to the bitterness. Bit too much for style.

Finish/Aftertaste

Inappropriate

Appropriate

Clean lager but the bitterness lingers some in the aftertaste. Getting some grassy flavors as well.

Appearance

Inappropriate

Appropriate

Golden body. Pretty clear. Off white head with moderate retention.

Mouthfeel

Inappropriate

Appropriate

Medium light body. No warmth.

Overall Assessment

Good clean lager brew but the hops are a bit on the high side for the style. Floral flavor, grassy character, and bitterness are all too high.
